For more information on the Health Insurance Policy Program or to obtain an electronic version of this report, visit our website:

http://chpps.berkeley.edu/hipp/

The views and opinions expressed in this report are those of the authors and do not necessarily represent the views of The California Wellness Foundation, individual members of our Advisory Group, or the Regents of the University of California.

Acknowledgments

The Health Insurance Policy Program is supported by a generous grant from The California Wellness Foundation as part of its Work and Health Initiative. The California Wellness Foundation, created in 1992, is an independent, private foundation created to improve the health of the people of California.

We appreciate the guidance and support we have received from the members of the Health Insurance Policy Program Advisory Group:

Karen Bodenhorn
President and CEO
California Center for Health Improvement

Wendy Lazarus
Director
The Children’s Partnership

Jeanne Cain
Vice President, Government Relations
California Chamber of Commerce

Patricia Powers
Executive Director
Pacific Business Group on Health

Milt Camhi
Executive Director
Contra Costa Health Plan

Sandra Shewry
Executive Director
Managed Risk Medical Insurance Board

Anne Eowan
Vice President for Government Affairs
Association of California Life and Health Insurance Companies

Lucien Wulsin
Offices of Lucien Wulsin

Jeanne Finberg
Staff Attorney
National Center for Youth Law

Walter Zelman
President and CEO
California Association of Health Plans

In addition to the members of our Advisory Group, we also thank the following colleagues who reviewed the preliminary findings and/or a draft of the manuscript: Emma Hoo, Gerald Kominski, Tom Rice, John Schneider, Beatriz Solis, and Roberta Wyn.

We also gratefully acknowledge the support of the following staff, without whom we could not have prepared this report:

at the UC Berkeley Center for Health and Public Policy Studies:
Sally Bellows, Kristina Staros, Rebecca Abbott Hambright.

at the UCLA Center for Health Policy Research:
Stephanie Teleki, HIPP project manager; Dr. Hongjian Yu, statistical support; Lisa Lara and Jenny Kotlerman, programming and data analysis; and Jennifer Kincheloe, research and modeling assistance in the children’s coverage section.

We would also like to acknowledge Larry Levitt, Janet Lundy, and Jain Wang at the Kaiser Family Foundation, Jeremy Pickreign and Heidi Whitmore at The Health Research and Educational Trust, Bonnie Davis and Holly Hoegh at the California Department of Health Services; and Robert McCarthy at the UC Berkeley, Survey Research Center.
